## April 2019 Newsletter

### New in RMS

Import and compare your ACGME Resident and Faculty survey data for up to three years. This enables programs and institutions to translate survey results to actionable data. To learn more about this feature please review this [information](#) from New Innovations.

### RMS Training

Sign up for RMS Training!

- Select your preferred date
- Tell us what training you want
- Registration form can be found on our [website](#).

As always, if the available days/times do not work for you, please email us at [RMSHelp@umn.edu](mailto:RMSHelp@umn.edu). We can come to your site as well.

### Why Should Sites use RMS?

Do you have hospital or clinic site coordinators you wish would take advantage of RMS? Don't have the time to explain to them what RMS can do for them? We can help! Share this [site](#) with them, it explains:

- What is RMS
- What they can do in RMS
- What is in RMS
- Who uses RMS
- How to get access
- How to run reports

If you find that sites are still resisting, please email us at [rmshelp@umn.edu](mailto:rmshelp@umn.edu) so that we can work with them. Thanks to Mariah Ipsan from the U's Surgery Department for suggesting this great idea! Have a great idea like Mariah's? Let us know [here](#).

### Pingboard

Have you logged into [Pingboard](#) yet? This online directory contains contact information for individuals involved in medical education at all MMCGME affiliates and related medical organizations. You can find the person or help you're looking for by searching for job function, job title, name, location, team, etc. Login with the username [mmcgme@umn.edu](mailto:mmcgme@umn.edu) and password [mmcgme2017](#)

### Recipe of the Month

Spring has finally sprung, so it's time to get outside and grill. Start the season with this [Grilled Chicken Caesar Salad](#) recipe. Grilled lettuce?? Just give it a try it, you'll love it!

Have a recipe you'd like to share? Let us [know](#) and we will feature your recipe in an upcoming newsletter.

### Save the Dates

- The 7th Annual [Resident & Fellow Quality Forum](#) will be held on Tuesday, May 28th at UMN Coffman Great Hall. Abstract [submissions](#) are now being accepted. Print out this [flyer](#) for your residents and fellows.
- The 2019 GME Coordinator Conference will be held on Friday, September 13th at [DoubleTree by Hilton](#) near the UMN campus. Be on the look-out for registration information.

### May 1st Block Schedule Deadline

The block schedule deadline for the 2019-20 academic year is quickly approaching. How are things going? Please review this [notice](#) from the MMCGME Operations Committee Block Schedule Workgroup sub-committee for information on upcoming deadlines.
