RMS Training

We've now made it easier to sign up for RMS Training!

- Instead of waiting a month or longer for a specific RMS training, training is now on-demand.
- Select the training topic you want and choose the day that works best for you.
- New registration form can be found on our [website](#).

As always, if the available days/times do not work for you, please email us at RMSHelp@umn.edu. We can come to your site as well.

RMS Tid-Bits:

Evaluations

Tired of trying to figure out which faculty your trainees worked with? Create an *on-demand* evaluation session! With an on-demand session a trainee can select a faculty member from your department that they worked with.

- On-demand option can be added to current evaluation sessions
- To make it easier on the trainee, be selective when choosing additional departments on the People tab. Selecting every department means trainees will have to go through hundreds of names in order to find the correct faculty member.

On-demand sessions can be set up so that the evaluator selects a trainee to evaluate. Instructions for this can be found [here](#).
