February 2019 Newsletter

Did you know?

If you have tried using the new QR code feature in the Conferences module, there has been a slight update. The check-in time will now use the correct time zone.

RMS Training

Sign up for RMS Training!

- Select your preferred date
- Tell us what training you want
- Registration form can be found on our [website](#).

As always, if the available days/times do not work for you, please email us at RMSHelp@umn.edu. We can come to your site as well.

What's new in RMS?

Reasons for declining evaluations are now provided for faculty. Instead of having to figure out why a faculty declined an evaluation, they will now be given the following choices when they decline to do an evaluation:

- Duplicate evaluation
- I did not work with this person
- I did not spend enough time with this person
- It doesn't apply to me (rotation evaluations)
- Other (with an option to leave a comment)

All RMS users have now been transitioned to the new home page layout and you may now notice resource "[buckets](#)" on the bottom of your home page. These "buckets" allow administrators to organize documents and schedules in a series of folders. There are six "buckets":

- Forms: forms to complete for use of leave, vacation, or other requests
- Schedules: spreadsheets or schedules from other applications outside of RMS
- Well-Being: documents related to well-being initiatives in your hospital or program
- Reference Materials: items from the Department Manuals section you want available
- Policies: policies from the Administration module you want to share
- Curriculum: upload curricular documents you want distributed outside of the Curriculum module

Upcoming AHME Webinar

On Tuesday, February 26th MMCGME Services will be hosting the Association for Hospital Medical Education (AHME) webinar, *Physician Well-being: Does the Disease Model Work?*

The webinar will be streamed on the University of Minnesota campus in Moos Tower 1-435 from 12-1p.

No RSVP is necessary. Webinars are available for individual purchase/access for \$140.

Recipe of the Month

This recipe has two of the best words in the English language, cheesecake and brownies! These gluten-free and flourless [Cheesecake Brownies](#) look divine!
