

GME Annual Conference – Navigating the Next Chapter | 9/12/2025

Breakfast with Colleagues – Table Topics & Hosts

Start your morning with coffee, conversation, and connection.

Join us for *Breakfast with Colleagues*, an informal, roundtable-style gathering where you can grab a bite to eat and engage in meaningful conversations with GME experts and peers. Each table will feature a different topic, hosted by experienced colleagues who are ready to share insights, answer questions, and hear your ideas. Choose a topic that sparks your interest—or rotate between tables to get a little bit of everything!

GME Office Connection – GME office-based topics

Hosted by Heather Woeste and Felicia Jones

Stop by to connect on all things GME office-related—discuss communication strategies, compliance support, accreditation processes, and how the office can better support your program’s needs.

Best Practices – Sharing tips and strategies for working better together

Hosted by Christy Badeaux

Join this table for a collaborative exchange of practical ideas and proven strategies that improve teamwork, streamline workflows, and enhance the daily experience for faculty, staff, and learners alike.

New Roles, New Journeys – Breaking down jargon and tricky concepts

Hosted by Valerie Cole and Lisa Gorman

Ever feel like GME is its own language? Bring your questions and decode common acronyms, complex policies, and other hard-to-navigate concepts in a supportive, no-judgment zone.

New Developments & Streamlining – Discussing recent trends and ways to improve efficiency

Hosted by Molly Pierson and Alicia Belkstrom

Explore emerging trends in medical education and share ways to cut through inefficiencies, from tech tools to process improvements, that can make your work smoother and smarter.
