- Duty Hours: For those programs logging duty hours, please make sure all hours have been entered and approved.
- Block Schedule: For those programs on rotation based protocol, please make sure block schedules are accurate and up-to-date.
- Time Away Extends: If a trainee has time away that is extending their training, please be sure to send us a TAE form and update the block schedule.

Please be sure all of your trainees have completed the Graduating/Transitioning form and that completion certificates have been uploaded.
