Metro Minnesota Council on Graduate Medical Education

Renewal Reminder Rotation Protocol & Attestation

2021-2022 program rotation protocol and attestation review is well underway.

MMCGME Services has reached out to program management teams and GME offices to review resident and fellow rotation protocols and attestations for the 2021-2022 academic year.

Rotation reviews/updates and signed attestation are due to MMCGME Services no later than **August 31st**.

MedEd To Go

Powered by Guidebook

MedEd To Go, is an informational app resource for residents and fellows to use as they rotate between sites throughout the Twin Cities.

The app provides vital information specific to rotation sites highlighting features such as; parking, food/meals, facility amenities and EPIC training.

To learn more, download the Guidebook app and search for MedEd To Go today! [Click here](#) for instructions.

ACGME AWARE Well-Being Resources

AWARE is a suite of on-demand well-being resources designed to promote well-being among residents, faculty members, and GME community members. It highlights strategies for cognitive skill-building and includes a video workshop, podcasts, and the ACGME AWARE app.

Programs, institutions, and individuals can download educational resources to mitigate the effects of stress and burnout and cultivate well-being. For more information [click here](#).

Coordinator Corner...

What's the Pod Squad?

Love podcasts and can't stop listening to them or talking about them? If so, join us for The Pod Squad. It's like a book club but for podcasts! The Pod Squad is brought to you through a joint effort of the MMCGME Operations Committee & the UMN Coordinator Advisory Work Group.

The Pod Squad group will be taking a short recess during this very busy time in residency and fellowship program training. Podcasts will reconvene in August 2021, keep an eye on your email for updates and invites to future events.

If you would like to share encouragement, ideas, or techniques with the coordinator community, please forward an email to prime025@umn.edu.
