Do you have a new Program Director, Program Coordinator or new department staff? We can provide individualized RMS training to your staff to help them excel in their new role.

## MMCGME Update

**Attention Program Coordinators:**

The MMCGME Services team will be scheduling a time to have a brief visit with all program coordinators. We would like to drop off a small token of our appreciation for all of your hard work and check in to see how we can better serve you. Our hope is to make these visits during the months of April and May, and finish in the Summer.

Please Note: The MMCGME Services office will be closed on March 16, 2018.
