

WELCOME

NEW COORDINATORS &
DIRECTORS

WHO IS MMCGME?

- **Strengthen collaboration with the GME through:**
 - Centralized information system – New Innovations
 - Critical administrative processes
 - Core curricula
 - Universal policies that promote member organizations’ teaching programs
- **Partner with Sponsoring Institutions and Affiliated Hospitals to:**
 - Facilitate outstanding experiences in Metro Minnesota for future primary care and specialty physicians
 - Encourage collaboration to optimize training of future physicians
 - Support high quality GME in a fiscally responsible manner
 - Maximize revenues and minimize costs for the provision of GME
