

Naming Rotation Standards

The naming standard for rotations is Institution-Department/Program-Subspecialty-Learning Experience-Site

Example: UMN-PEDS-CC-PICU-HCMC

UMN = institution/site which sponsors the training program

PEDS = abbreviated name of the department (Pediatrics) that “owns” the program

CC = sub-specialty (Critical Care) -- many of the sub-specialty names are long, so they may be abbreviated

PICU = learning experience detail (Pediatric Intensive Care Unit)

HCMC = site where rotation occurs (Hennepin County Medical Center)
