### Second Annual Story Slam

We're excited to apprise you of an upcoming resident, fellow, and faculty event developed by the MMCGME Resident Well-Being Committee.

On Wednesday, November 13 from 6:30-9 pm, MMCGME will host a [Second Annual Twin Cities Wide Moth-Inspired Story Slam Event](#) at [BlackStack Brewing](#), 755 Prior Ave N, St. Paul, MN. We hope this event will foster community through storytelling. We plan to convene trainees from all programs across the Twin Cities to share their stories and we invite residents and fellows to submit five-minute (~750 word) stories.

Faculty are welcome to attend as are families; however, this event may contain mature content. Complimentary food and beverages – including beer – will be served.

The deadline for story submission is **October 17 at midnight**.

Please encourage your trainees to submit stories and attend. On October 30, story presenters will be notified and announced on the [event website](#).
