## Margaret Dickman

MMCGME Services is pleased to welcome Margaret (Maggie) Dickman to the MMCGME Services family!

For the last 5 years, Maggie served as the Curriculum Coordinator for the United Family Medicine Residency Program and began as a MMCGME team member on September 10, 2021.

Maggie's current work scheduled will be from 10:00 am - 2:00 pm. Please take a moment to say hello and congratulate her on this exciting new adventure!

Welcome to the family Maggie!

## Block Schedules & Gaps

RMS Block Schedules and Duty Hour logs must be updated, approved, and accurate through the last day of the month. FTE reports are generated on the 5th working day of the next or following month.

Programs on duty hour protocol, please follow up with your residents and fellows to ensure that they enter and approve all RMS Duty Hour log entries by the deadline.

### Schedule Block Gaps...

Review trainee block schedules for any primary rotation information which may be missing (ie. New Resident Orientation). Missing data effects accurate IRIS reporting.

Contact MMCGME services for assistance.
