

# TABLE ASSIGNMENTS

## Table 1

- 5:00:** Improving Time in the ED for Non-English Speaking Patients
- 5:10:** Emergency Department Neonatal Resuscitation
- 5:20:** Discharge Criteria & Collaboration for Timely Discharge
- 5:30:** Naltrexone for AUD from the ED
- 5:40:** Botox Use in Pregnancy: Maternal & Fetal Outcomes

## Table 3

- 5:00:** Improving Referral Rates to MDH Asthma Home Based Services
- 5:10:** IMPLICIT Interconception Care in Primary Care Residency Clinic
- 5:20:** Eating Disorder Screening in Primary Care Weight Management
- 5:30:** SAVETHEBOTTOMS!!! LGBTQ+ Event-Based Anal Cancer Screening

## Table 4

- 5:00:** Centering Pregnancy Affect Perinatal, Maternal & Fetal outcomes?
- 5:10:** Testing a Visual Thermometer in Newborns & Young Infants
- 5:20:** Ortho Procedure Wait Times in MN Rural vs. Urban Patients
- 5:30:** Pain Management in Pediatric Trauma

## Table 6

- 5:00:** Addressing Social Determinants of Health in Urban Clinic
- 5:10:** Genetic Influence on Pediatric Acute Myeloid Leukemia Survival
- 5:20:** Improvement of Medical Assistant Handoff Process
- 5:30:** Standardized Handoff Implementation at M Health Fairview: I-PASS

## Table 7

- 5:00:** Increasing Gun Violence Prevention in the Primary Care Office
- 5:10:** Occupational Nonallergic Rhinitis and Dysautonomia in a Firefighter
- 5:20:** Planetary Health Report Card
- 5:30:** Quality Control at the Scanner QI on a QC tool

## Table 9

- 5:00:** Communication Curriculum for Healthcare Providers to Fight Burnout
- 5:10:** Implementation of New Education Model for ED Rotators
- 5:20:** Leveraging Language Models to Enhance Radiology Communication
- 5:30:** Cost Effectiveness of Publishing Open Access Dermatology Journals

## Table 10

- 5:00:** Future Providers OSCE Experience at Hennepin Healthcare
- 5:10:** Automated COMPASS Tool for Communication Failures
- 5:20:** Method of Detection for Breast Biopsy
- 5:30:** Optimizing Length of Stay by Reducing ED Boarding Time
- 5:40:** Streamlining Ordering Provider Notification Through Vocera

## Table 12

- 5:00:** Appropriate Statin Prescribing Based on Current Guidelines
- 5:10:** Febrile Seizure Clinical Guideline Development
- 5:20:** Geriatric Boarding Approaches in the ED
- 5:30:** Improving Pediatric Rapid Response Teams

## Table 13

- 5:00:** Med-Peds Complex Care Transition Tool
- 5:10:** Improving ED Time to Regional Anesthesia in Hip Fracture Patients
- 5:20:** Improving Hypopituitarism Screening in TBI Clinic for Veterans
- 5:30:** Prompt Temperature Assessment in Trauma Patients
- 5:40:** ROAR: Evaluation of Ictal-Postictal Seizure States during Video EEG

## Table 14

- 5:00:** CPRS Outpatient Ordersets: Implementing a PDSA Cycle
- 5:10:** Improving Imaging Accuracy at HH through Protocol Workbook
- 5:20:** Pupillary Light Reflex and its Implications in Multiple Sclerosis
- 5:30:** Initiative to Increase Glucagon Prescribing in Type 1 Diabetes
- 5:40:** Improving QoL and Cost with SC Vedolizumab in a Veteran

## Table 16

- 5:00:** Review of Hospital to Hospital Pediatric Transfers from Regions ED
- 5:10:** Paramedic-Directed Prehospital Buprenorphine Initiation Protocol
- 5:20:** Meal Boxes' Impact on Health Outcomes
- 5:30:** Increase Nonselective Beta-Blocker Use in Liver Disease
- 5:40:** Reflex ENA Testing Optimization for Rheumatologic Disease

## Table 17

- 5:00:** CLABSI Prevention in Adult Oncology
- 5:10:** Improving Trainee Comfort with Rapid Responses for Bronchiolitis
- 5:20:** In Situ Simulation of ECMO for Latent Risk Threats in the ED
- 5:30:** Language-Concordant After Visit Summaries
- 5:40:** Reducing Interruptions During Emergency Medicine Provider Handoff

## Table 18

- 5:00:** Improving Follow Up Rate for Colonoscopies at the VA
- 5:10:** Improving Teamwork in Hennepin Continuity Clinics
- 5:20:** Utility of Repeat ENA Testing in Patients with Positive ANA at VA
- 5:30:** Readily Accessible Naloxone at Discharge in the ED
- 5:40:** Understanding and Implementing Safety Reporting and Analysis

Thank you for attending the Quality Forum!

Please review the list of projects and their scheduled presentation times. The poster showcase runs from 5:00 to 6:00 PM — feel free to walk around, listen to presentations, and network with others.

If you have any questions, visit the Forum Support Table at Table 11.
