As always, if the available days/times do not work for you, please email us at *RMSHelp@umn.edu*. We can come to your site as well.

Block Gaps - What are they and why are they bad?

For each day of your academic year, a rotation needs to be marked as "Primary". When this does not happen a block gap will occur. A block gap will also occur if an "Unspecified" rotation is listed in the block schedule.

When a trainee has a block gap in their schedule, this will cause FTE's to be off, billing will not generate, trainees will not get matched for evaluations, and sites will not know when they are coming

How do I know if my program has block gaps?

Run a block gap report at least monthly by going to Schedules - Gap Locator. Additional instructions can be found *here*. If you have any questions on how to correct a block gap, please be sure to *email* or call us.

Recipe of the Month

Fall is almost here. You know what that means...pumpkin everything! You can make just about everything, like *Pumpkin Pie Dip*, *Pumpkin Spice Cream Cheese*, *Cheesy Baked Pumpkin Pasta*, and *Pumpkin Ice Cream*. But the real question is, should you?

Have a recipe you'd like to share? Let us *know* and we will feature your recipe in an upcoming newsletter.
